

# Live Like Francis: A Guide for Our World

## The Legacy of St. Francis

**He saw creation as one family.**

He called the sun "Brother" and the Earth "Sister," respecting all of creation.

**He was a radical peacemaker.**

He chose dialogue over conflict, meeting peacefully with the Sultan during the Crusades.

**He stood with the poor and excluded.**

He gave up a life of comfort to live simply and support those in need.
